A Separate Peace is a coming-of-age novel by John Knowles, published in 1959. Based on his earlier short story "Phineas", published in the May 1956 issue of Cosmopolitan, it was Knowles's first published novel and became his best-known work. Set against the backdrop of World War II, A Separate Peace explores morality, patriotism, and loss of innocence through its narrator, Gene.

A Separate Peace - Wikipedia

A Separate Peace by John Knowles The book is set in New Hampshire at The Devon Boarding School. The book is narrated from Gene's Forrester's first person point of view. It opens in 1959 as Gene comes to visit Devon School and reminisces at the tree where he and Phineas started The Suicide Society of The Summer Session.

Separate Peace, A: John Knowles, Scott Snavely ...

A Separate Peace by John Knowles Chapter 1 I went back to the Devon School not long ago, and found it looking oddly newer than when I was a student there fifteen years before. It seemed more sedate than I remembered it, more perpendicular and strait-laced, with narrower windows and shinier woodwork, as though a coat

a separate peace by john knowles - Yahoo Search Results

John Knowles, (born Sept. 16, 1926, Fairmont, W.Va., U.S.—died Nov. 29, 2001, near Fort Lauderdale, Fla.), American author, who was best known for his first published novel, A Separate Peace (1959; filmed 1972). Most of his works are psychological examinations of characters caught in conflict between the wild and the pragmatic sides of their personalities.

Nominated as one of America's best-loved novels by PBS's The Great American Read. An American classic and great bestseller for over thirty years, A Separate Peace is timeless in its description of adolescence during a period when the entire country was losing its innocence to World War II. Set at a boys' boarding school in New England during the early years of World War II, A Separate Peace is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world.

An American coming-of-age tale during a period when the entire country was losing its innocence to the second world war Set at a boys' boarding school in New England during the early years of World War II, A Separate Peace is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world. This compelling volume explores the complexities of adolescent friendship in John Knowles's A Separate Place. Essays discuss the life of John Knowles, the role of personal experience in fiction, how the novel explores the roots of war, as well as contemporary perspectives on how war in Afghanistan is increasing bullying among children, and how sports bring joy despite the realities of war.

A collection of essays analyzing Knowles's classic work, including a chronology of his works and life.

Kirby Gann writes about how John Knowles' "A Separate Peace" influenced him as an author.

ABOUT THE BOOK Is it possible to be at peace while your country is at war? Today, the answer to that question often seems to be a decisive yes; while the United States is entangled in military conflicts in numerous far-away countries, the average American citizen is able to lead a largely untouched life. Except perhaps for the price of gas at the pump, itself more an economic than political ramification, we face few harsh reminders about the wars that are being fought in our name. This was not always the case. When John Knowles, author of A Separate Peace, sat down to write a novel inspired by his experiences as a high school student during World War II, he was reflecting on an era that demanded far more sacrifices from the average U.S. citizen. In addition to the food and fuel shortages that affected even the upper-class rungs of society that Knowles was part of, people were also forced to live with the war as an enormous psychological specter that was nearly impossible to ignore. Because of the novel's frank and emotional portrayal of the way in which youths experienced World War II, A Separate Peace is considered a classic of modern American literature and is a staple of high school curriculums, still appearing regularly on bestseller lists, such as the January 23-29 2012 list in the Boston Globe. According to the Los Angeles Times, Knowles felt incredibly validated by the book's popularity, explaining, "What touches me most, what pleases me most, is that people who are far removed from the world of prep schools love it." The world depicted in the pages of this novel is based largely on the one Knowles himself knew as a teenager in the early 1940s. Devon, the fictional school attended by the book's characters, is modeled closely after Phillips Exeter Academy, an elite college preparatory school in New Hampshire, where Knowles himself studied. Many of the historical details of the book—such as the apple harvesting, the shoveling work at the railroad, the absence of senior faculty, and the disappearance of maids from the campus—are ones Knowles experienced directly as a student. Howard T. Easton, a former instructor at Exeter, published a reflection about the school's culture during the war in The Exonian, in which he recalls, "We all had to adapt to unusual circumstances, some of them quite trying." In addition to being a faithful rendition of a particular historical time and place, A Separate Peace also offers readers a timeless depiction of friendship, the struggles of adolescence and the loss of innocence. Just as the main characters are unable to hide from the war, they are also unable to forestall the onset of adulthood, a transition that marks the end of the carefree, naïve happiness they knew as boys during the summer session. Each character grapples with these changes in his own way, but in the end, none of them is left unchanged.k EXCERPT FROM THE BOOK Fifteen years after graduating from the Devon School, a college preparatory school for wealthy young boys, Gene Forrester returns to campus for the first time. There are two places in particular he aims to visit: a marble staircase in one of the school's halls and a certain tree on the edge of the Devon River. Upon reaching the staircase in question, he notes with some foreboding that they appear to be particularly hard stairs, as generations of boys' boots have barely made any indentation on the steps. Trudging through the rain across the muddy campus, Gene struggles to pick out the tree he's in search of. When he does identify the tree, he notes with some relief that it seems smaller and less intimidating than he remembered. ...buy the book to continue reading!

A Study Guide for John Knowles's "A Separate Peace," excerpted from Gale's acclaimed Novels for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more.
