From the New York Times bestselling author of the Wake trilogy comes all three “dramatic, quick-paced,” (Kirkus Reviews) and gripping thrillers from the Visions trilogy collected in a single riveting volume. Jules lives with her family above their restaurant, which means she smells like pizza most of the time and drives their double meatball – shaped food truck to school.

Gasp, Volume 3: McMann, Lisa:

Amazon.sg: Books

Gasp has been on my wishlist for a while

since I love Lisa's fast paced books about

kids with visions. Jules is the main character

and I adore her heart for others, wanting to

help and do all that she can. Her narrative

voice is right up my alley because she is

snarky and I can relate with what she is

going through.
