Created through a "student-tested, faculty-approved" review process with thousands of students and hundreds of faculty, EXPLORACIONES is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners.

The CONECTADOS Communication Manual includes standards-based activities designed for in-class use, with an emphasis on interpersonal communication. The program is composed of 12 chapters, which can easily be divided over semesters or quarters. Core information (thematic vocabulary, grammatical structures, and functional language) is integrated into manageable pasos. The end of each chapter in the Communication Manual is comprised of four sections, which the instructor can mix and match. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Set around 12 German-speaking people and the worlds they live in, WELTEN focuses on the development of communicative competence and literacy through texts in various modalities. WELTEN helps students to acquire and practice functional language abilities while at the same time developing interpretive and analytical competencies and an appreciation of the aesthetic qualities of language. Through current, relevant, and meaningful materials, students learn to use language while seeing the world through the eyes of others, ultimately learning about themselves and the world they live in. With its innovative and integral video program, its contextualized and learner-centered presentation of grammar, and its unique selection of engaging texts from a broad range of genres, WELTEN brings a new approach to introductory German. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Looks at the the role of literacy learning over the past century and the impact it has had on people born between 1895 and 1985.

The RUMBOS program, now in a new ENHANCED edition, provides robust support to help students 'fill in the gaps' that might be left from their first year of Spanish study, including review activities, indices of first year grammar and vocabulary, and student annotations. At the same time, RUMBOS carefully leads students to higher levels of communicative competence through the combination of functional and contextualized vocabulary presentations, targeted practice of more advanced and often problematic grammatical structures, and process-oriented reading and writing sections with integrated skill-building strategies. RUMBOS prepares students for advanced language study by involving them in authentic literary readings and academic writing tasks and by weaving in communicative activities geared to oral presentations. The RUMBOS program also provides plentiful instructor support through its transparent and flexible chapter structure, teacher annotations, and ancillary materials. Instructors using RUMBOS will find crafting creative, stimulating, and fun lesson plans effortless. The growth of Information and Communication Technology (ICT) has changed the dynamics of education, as self-directed learning, especially on mobile devices, is as accessible as ever. Despite the near infinite amount of information available for students outside of school, the classroom remains the most critical aspect of student's growth. Teachers now play crucial roles in engaging ICT's full potential to create an environment of meaningful learning to develop students' critical thinking skills. Preparing Foreign Language Teachers for Next-Generation Education concerns itself with the integration and study of new technologies in foreign-language education. Featuring theoretical and empirical chapters related to the confluence of teacher-education, teacher cognition, and innovative technologies, it provides engaging insight into foreign-language teachers' perceptions and the influence of those perceptions. This publication is quintessential to foreign-language teachers, administrators, policy makers, students of education, programmers, and developers.

The CONECTADOS Communication Manual includes standards-based activities designed for in-class use, with an emphasis on interpersonal communication. The program is composed of 12 chapters, which can easily be divided over semesters or quarters. Core information (thematic vocabulary, grammatical structures, and functional language) is integrated into manageable pasos. The end of each chapter in the Communication Manual is comprised of four sections, which the instructor can mix and match. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This highly accessible, manageable program is user-friendly for instructors, teaching assistants, and students. Known for its succinct and precise grammar explanations, its presentation of high-frequency and practical vocabulary, and its overall flexibility, HOLA, AMIGOS! continues to maintain its appeal with instructors regardless of their preferred methodology. The program is designed to develop students' ability to communicate effectively in Spanish in a variety of situations as well as to strengthen cultural awareness and competence. It offers a full scope and sequence, yet is brief enough to be used effectively for a two-semester course. The eighth edition features an enhanced integration and presentation of culture and new and exciting technology components. All components are fully integrated with the flexibility to accommodate a range of scheduling factors, contact hours, course objectives, and ability levels. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BASIC SPANISH FOR SOCIAL SERVICES is a career manual designed to serve those in the social services professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents everyday situations that pre-professionals and professionals may encounter when dealing with Spanish-speaking clients, patients, and personnel in the United States at work settings such as hospitals and Department of Social Services offices. BASIC SPANISH FOR SOCIAL SERVICES introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
