Power In My Pen A

While Pens are considered to be the mightiest of swords, I would like to portray in my picture, the power of words written by a pen that are transformed into books and the magic every book can create in the reader's life. The power of Pen can not only make us understand the real time scandals but also take us to thousands

Wells of worlds and give us dreams and hope to live with.

Power in my Pen - fuzia.com

"Power in My Pen" encourages penmanship, free thought, and historical lessons from a highly influential leader in the early 1900's.

The strong intelligent woman we know as Ida B. Wells proved, no matter who you are, you can share your message and your truth to the world through the power of the pen.

Wells
beginners. Since these vape pens have more power, they require a more powerful battery. These are usually a 18650 Battery. One of the most popular is the Uwell Nunchaku Vape pen, seen below, with a battery:

How To Charge Your Vape Pen: A
Helpful Guide For Beginners...

If my pen & ink were better, I think it possible I might be inspired, but poor paper, and stubborn steel pens are the grave of intellectual feasts. My next book of events if spared to relate them; shall be carefully written for my daughter's profit when I am gone, she shall then see a picture of the inner life, the thoughts that daily pass through the mind of a dreamer."

Waka Flocka - Power Of My Pen

TripleFLife

It's just my paper, my pen, and I
When times get hard to roll by
And my eyes start to retain the tears inside
All I have is my paper, my pen, and I
When the struggle multiplied
When my alcoholic uncle died
When people around me were getting high
All I had was my paper, my pen, and I
When my coward dad raised his fist up high
And all my momma did was silently cry
And my dimming
