Be inspired to pray boldly, pray powerfully, pray with passion, and trade ineffective prayers and lukewarm faith for raw, daring prayers that will transform your daily life. Do you ever wonder if God answers your prayers? Do you wish you could see the evidence that prayer changes lives? Do you long for more than playing it safe in your faith? Join New York Times bestselling author Craig Groeschel as he helps you discover the power of authentically communicating with God, breaking out of the restrictive spiritual safety bubble, and expanding your ideas about what's possible with God. The Bible tells us that prayer has the power to move God's heart, but some prayers move him more than others. He wants more for us than a tepid faith and half-hearted routines at the dinner table. God called you to a life of courage, not comfort. In *Dangerous Prayers*, Groeschel will show you how to pray the prayers that search your soul, break your habits, and send you out to pursue the calling God has for you. But be warned: If you're fine with settling for what's easy, or if you're okay with staying on the sidelines, this book isn't for you. You'll be challenged. You'll be tested. You'll be moved to take a long, hard look at your heart. But you'll be inspired, too. *Dangerous Prayers* will give you the encouragement and tools you need to: Transform the patterns around your daily prayer life Truly embrace and believe in the power of intentional prayer Start to pray daring, faith-filled, God-honoring, life-changing, world-transforming prayers You'll discover the secret to overcoming fears of loss, rejection, failure, and the unknown, and you'll welcome the blessings God has for you on the other side. But best of all, you'll gain the courage it takes to pray dangerous prayers.

You were made for something more. Deep inside you know it's true. Getting up, going to work, coming home, and going to bed isn't doing it for you. You long for a life that matters. What will people say about you when you're gone? Will they even notice that another cog in the corporate machine is missing? Will people instead talk about the difference you made in their lives? Will anyone say, "My life is better for having known her" or "I'd be so much worse off if he hadn't given of himself?" The path to significance and meaning isn't

paved with dollars or fame. It's paved with sacrifice and humility. While some people make a difference through their own selfishness, at the expense of others, most of us can put aside our plans and ambitions and really make a difference, a difference that outlasts our lives, a difference that changes lives and affects generations. This book is for every Christian or Christian leader who serves in the church, wants to, or leads people who do. Do you know why you serve? What do you do when it's difficult to do what you know God is calling you to do? Can you really serve in the same church for the rest of your life? What about money? Should people who serve be paid? We'll discuss reasons for serving, the attitude to have, leadership, following, flexibility, being a part of a team, and much more. This is a unique book because the author isn't a Pastor or even paid staff. He's a regular guy who's been serving tirelessly for years and wants to share what he's learned with you. You can affect lives and eternities. Will you or will you stay comfortable on your couch affecting nothing? The choice is yours.

Everybody talks about the worship, but nobody does anything about it. The well-known quote associated with Mark Twain actually goes like this—Everybody talks about the weather ... But changing it to "worship" seems appropriate. With *Worship Essentials*, Dove Award-winning worship leader Mike Harland helps leaders do something about it. Perhaps no subject about church generates more opinion and passion than worship. Walk with the typical church-going family on their way to the car after the service and just listen. Everybody really does talk about worship. Now, veteran worship leader and experienced ministry coach Mike Harland offers the tools worship leaders need to build biblically-faithful and effective worship ministries without bringing the disruption that often accompanies change. Psalm 67:5 reads, "Let the peoples praise you, God, let all the peoples praise you." *Worship Essentials* is here to help.
